About Sarla Performance Fibers Limited

SPFL is a 100% EOU engaged in the manufacturing and export of high value added polyester and nylon textured, twisted and dyed yarns, covered yarns, high tenacity yarns and sewing thread.

Beginning as a manufacturer of commodity yarns, the company has successfully shifted its focus and established itself as a manufacturer of specialized and higher value added yarns. Its strength lies in customizing the product as per each individual customer's requirements and specifications. Over the years SPFL has expanded its activities with the expansion and upgradation of existing facilities in India, as well as through creation of new facilities overseas with the primary objective of establishing closeness to customers to provide quick and efficient services to them.

With clients in all major countries across the globe & a presence in key international locations, SPFL has developed a strong customer base. Today, the company is run by its promoters, Mr Madhusudhan Jhunjunwala, the Chairman and Mr. Krishna Jhunjunwala, the Managing Director. The company's head office is located in Mumbai, India and its manufacturing facilities are situated 160 km outside Mumbai in Silvassa and Vapi. It has an installed capacity of 11,900 tons per annum for manufacturing yarns in Silvassa and 3,200 tons per annum for a Dyeing unit at Vapi.
